- (1) Utility nozzle
- (1) Wet nozzle
- (1) Car nozzle
- (1) Standard filter
- (1) Owner's manual

Ridgid 62703 Features

- Powerful 5.0 Peak Horsepower - High performance wet dry vacuum.
- Longer Motor Life - Durable, long-lasting motor backed by industry's best warranty.
- Polypropylene Drum Construction - Rugged construction to meet the high demands of work sites.
- 360 Caster Wheels - Provides increased maneuverability.
- Large Drain - Located at the lowest point of the drum for emptying of water.
- Sound Reduction Technology - Scroll Noise Reduction® is a patented feature that provides quiet operation by precisely controlling the flow of air through the vac.
- Accessory Storage Caddy - Keeps accessories organized and close at hand for easy access.
- Blowing Capacity - Blow leaves from walkways or decks and debris from job sites, tools, etc.
- Professional Locking Hose - The ultra-flexible hose won't pull loose during use, and is four times more durable than our standard hose. This 1-7/8"x 8' hose has a smooth interior surface to reduce clogging.
- Qwik Lock® Filter Fastening System - Install or remove your filter quickly, easily and secure without tools or fasteners.
