

DESCRIPTION

Milwaukee 18 TPI Deep Cut Band Saw Blades 25-Pack

Milwaukee band saw blades are designed to maximize performance of any portable band saw that takes a 44-7/8 in. blade. They will deliver long tooth life and exceptional durability in metal-cutting application including strut, conduit, angle iron, copper tube, threaded rod, and pipe. Tooth form, pitch, and set have been designed to deliver straight, accurate cuts across a broad range of materials. With the Matrix II high steel, we extended the life of th blade in hard materials.

[California Proposition 65 Warning.](#)

FEATURES
