

M18 FUEL™ 2 Gallon Compact Quiet Compressor

4.8 (409) [Write a review](#)

Our M18 FUEL™ 2 Gallon Compact Quiet Compressor is designed for the professional carpenter and remodeler. This quiet air compressor is only 68dB(A), making it the quietest cordless compressor on the market and quieter than most corded options. We've designed this 2-gallon air compressor to be high performing while reducing the noise professionals deal with on jobsites. Its low profile and stackable design allow our portable air compressor to be easily stored and transported on, around, and back off the jobsite. It has run-time professionals need to stay productive, giving you up to 1,600 18ga brad nails per charge. It is compatible with all MILWAUKEE® M18™ REDLITHIUM™ batteries making it easy to swap packs and keep running to finish your job.
