

## Features

Designed to operate at much higher temperatures than regular incandescent lamps

Provides heat to keep area warm for bathrooms or prepared food

Dimmable light bulb

Beam Spread: Flood

## Specifications

Life: 1.8 years / 2,000 hours

Energy Used: 250 Watts

Color Temperature: N/A

Volts: 120V

Base: Medium (E26)

Color: Red

Equivalent: 250

MOL: 6.5"H x 5"D

Estimated Yearly Energy Cost: 30.11

Region: US
