Get added convenience and reach with the Milwaukee® 8-Piece 6" Universal QUIK-LOK™ Flat Boring Bit Set. Bore small, clean holes at any angle in a variety of materials. The double wing spurs provide easy hole formation while reducing vibration and preventing "break out." The patented cutting edge produces easier and faster wood boring and fast chip removal, allowing heat from the bit to dissipate. The Universal QUIK-LOK™ allows quick and easy accessory changes, as well as added reach in hard-to-work areas. The kit includes 3/8", 1/2", 5/8", 3/4", 7/8", 1" and 1-1/8" bits plus a 6" QUIK-LOK Extension in a carrying case.
