

# Milwaukee 48-22-8900B ANSI Cut Level 1 Dipped Gloves - 12 Pair

## Features

Milwaukee Tool's dipped gloves are designed to provide ultimate durability, all-day comfort, and best in class dexterity for handling small objects. SMARTSWIPE™ index fingertips provide full access to touchscreen devices without removing the gloves and the textured nitrile palm provides best in class grip performance. The gloves are made of a nylon and lycra blend to provide all day comfort and wick away moisture and also feature high dexterity fingertips to maximize control when handling small objects.
