

70 lb. AVT[®] Breaker Hammer, accepts 1-1/8" Hex bits Models HM1812

HITS LIKE AIR WITHOUT THE VIBRATION

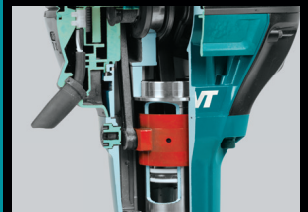

- Efficient 15 AMP motor with improved hammer mechanism delivers 53.9 ft.lbs./72.8 joules of impact energy to handle the most demanding applications
- Advanced AVT[®] is a synchronized, three-component system that more effectively reduces vibration in varying conditions resulting in a low 6.5m/s²
- Advanced AVT[®] is a mechanical counterbalance system which greatly reduces vibration and directs more impact energy to the work surface for increased user comfort and greater productivity
- Advanced AVT[®] provides vibration absorbing housing which moves independently of the motor and hammer mechanism effectively isolating more vibration away from the user

COMFORT

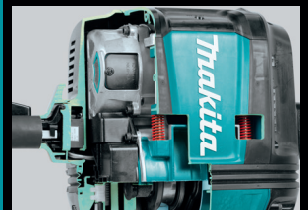

Efficient 15 AMP motor with improved hammer mechanism delivers over 53.9 ft. lbs. of impact energy

COMFORT

Mechanical counterbalance system greatly reduces vibration, resulting in a low 6.5m/s²

CONTROL

Vibration absorbing housing moves independently of the motor and hammer mechanism

SERVICEABILITY

L.E.D. service & power light indicates switch failure or cord damage

ANTI-VIBRATION TECHNOLOGY

70 lb. AVT® Breaker Hammer, accepts 1-1/8" Hex bits

Model HM1812

FEATURES & BENEFITS

- Advanced AVT® rubberized handles with fiberglass reinforcement for less vibration and greater durability
- Fixed movement handles engineered for more control and greater accuracy
- L.E.D. power light indicates switch failure or cord damage
- L.E.D. service light notifies the user approximately 8 hours before brushes need to be replaced
- Soft start suppresses start-up reaction for more control and better accuracy
- Recessed lifting handles provide more convenience
- Automatic brush cut-off protects commutator from damage for longer tool life
- "No hammering when idling" function helps increase tool life
- Includes 16.4 ft. power cord and integrated cord guide which positions the power cord away from working area

STANDARD EQUIPMENT

- Hex Wrench (783203-8)

SPECIFICATIONS

Blows Per Minute	870
Impact Energy	53.9 ft. lbs.
Impact Energy	(72.8 Joules)
AMPS	15
Noise Level	109 dB(A)
Vibration	6.5 m/s ²
Bit Type	1-1/8"
Cord Length	16.4 ft.
Overall Length	36"
Net Weight	69.1 lbs.
UPC Code	088381-693301

Model HM1812

OPTIONAL ACCESSORIES

- 16" Self Sharpening Bull Point (B-45559)

- 1-1/8" x 20-1/2" Flat Chisel, 1-1/8" Hex (D-21369)

- 3" x 22-1/2" Digging Chisel (751621-A)

- Premium Hammer Cart (T-02892)
