

# 9" Comfort Grip High Leverage Lineman's Pliers with Crimper

3.3 (4) Write a review

Our 9-inch High Leverage Lineman's Pliers feature hardened cutting edges. They also have an on-board crimper and a fish tape puller, giving you added functionality when working with insulated and non-insulated terminals. The pliers have MILWAUKEE® comfort handle grips and will not peel or dig into your hands during extended use.
