

Milwaukee® Annular Cutter, Series: Steel Hawg®, 1/2 in Cutter Dia, 1 in Cutting Depth, 3/4 in Shank, Weldon Flat Shank, HSS Cutting Edge, HSS, Black Oxide, Silver, Applicable Materials: Metal

## Features

- 20% thinner wall construction faster cutting due to less material being removed for the same size hole
- Duel alternating tooth geometry - more aggressive cutting as well as increased chip ejection cuts up to 15% faster
- Proprietary steel and 3 hardness zones - makes the bit less susceptible to breakage

## Specs

<b>Applicable Materials</b>	Metal
<b>Color</b>	Silver
<b>Cutter Diameter</b>	1/2 in
<b>Cutting Depth</b>	1 in
<b>Cutting Edge Material</b>	HSS
<b>Finish</b>	Black Oxide
<b>Manufacturer</b>	Milwaukee Tool
<b>Manufacturer #</b>	49-59-0500
<b>Material</b>	HSS
<b>Series</b>	Steel Hawg®
<b>Shank Size</b>	3/4
<b>Shank Type</b>	Weldon Flat
